

I Carpet!

Hello friends and clients. I do love carpet and this month I am spreading the love with not 1 BUT 2 special offers.

So DON'T Wait Until Spring To Clean Your Carpets! Here is Why...

Reason #1 To Clean In February: You get your choice of the schedule with little or no wait time. (Because this happens to be the slowest time of the year for me.) ***It's the ONLY time of the year I can offer you that luxury.***

Reason #2 To Clean In February: ***Your carpets dry faster and stay cleaner longer!*** Contrary to popular belief, cleaning in the middle of winter is better for these reasons. Think about it...in the winter everyone takes their shoes off (or should), so the carpets stay cleaner longer. PLUS your house is more likely to be shut up tight with the heat on, so your carpets dry faster. ***And if you are worried about cold air getting in while we clean – don't be! We go to great measures to minimize your home's heat loss.***

Reason #3 To Clean In February: You get my best money saving deals of 2010! ***See the specials below...***

The "I Heart Carpet" Special #1:

You really deserve to have a house full of clean, healthy carpet. You deserve to have carpet that doesn't have dirty traffic lanes and spills. You deserve to extend the life of your carpet, so I'm going to make this really easy for you. ***If you get your carpets cleaned in February, I will clean every 3rd room for you for FREE!***

The "I Heart Carpet" Special #2:

You also deserve for your carpet to STAY clean, to resist soil wear and tear, and keep spills from becoming stains. ***So if you clean in February you will receive FREE Carpet Protection on your largest room.*** This way you can save some money and see first hand the benefits of restoring your carpet's protection.

Bonus: "I Heart Carpet" Special Bonus Offer:

Clean your carpets in February and I will return to clean up any spots and spills that happen between now and April 30, 2010 absolutely FREE! That's right I will waive my \$125.00 minimum service call and take care of those spots for FREE.
